In accordance with the duty of disclosure imposed by 37 C.F.R. § 1.56 to inform the Patent Office of all references coming to the attention of Applicant or attorneys or agents for Applicant which are or may be material to the patentability of any claim of the subject application, Attorneys for Applicant hereby direct the Examiner's attention to the references listed on the attached List of References Cited By Applicant, copies of which are enclosed.

Identification of the listed references is not to be construed an admission of Applicant or Attorneys for Applicant that such references are available as "prior art" against the subject application. Consequently, Applicant respectfully declines to use form PTO-1449, since this form identifies all of the references cited therein as "Prior Art." As an alternative, Applicant submits herewith a "List of References Cited by Applicant" instead of "List of Prior Art Cited."

Applicant respectfully requests that the Examiner review the listed references and that the references be made of record in the file history of the application.

In accordance with 37 C.F.R. § 1.97(c) and § 1.17(p), the fee required has been estimated to be \$180.00. Please charge the required fee to Jones Day Deposit Account No. 50-3010. A copy of this sheet is enclosed.
